

ERAS® Residency Applicant Checklist

As an applicant, you need to complete a number of ERAS®-related tasks when you apply for residency. Below is a checklist to assist you in making sure you complete them all.

Research ERAS and Programs

- Visit the [ERAS Student Hub](#) for helpful information, such as the ERAS timeline, FAQs, fees, MyERAS® Residency User Guide, a list of participating specialties and programs, and more.
- Contact each program before applying to make sure you understand and meet all program eligibility requirements and deadlines, including citizenship and visa requirements.

MyERAS® Registration

- Obtain an ERAS token from your designated dean's office. **Make sure you are using an ERAS token for the correct MyERAS season. The system will not allow you to use a token from a previous season.**

Note: An ERAS token can only be used once to register. Be sure to enter all information accurately.

- Log in to your AAMC account and register your ERAS token.

Register With a Match Service

Note: You are not required to complete the MyERAS application in one sitting and are advised to take your time working on each section.

- Certify and submit your MyERAS application.
