<td>TX</td>
<td>University of Texas Southwestern Medical Center Southwestern Medical School</td>
<td>Online interviews for 2020 cycle; Traditional format with two 25-minute, back to back faculty interviews</td>
<td>July</td>
<td>Interviews will be conducted beginning in August, and continuing through early to mid January. During our interview program, applicants have the opportunity to accompany UT Southwestern students on rounds on the Internal Medicine and Pediatric inpatient services at Parkland Hospital, Clements Hospital, or Children’s Medical Center. You will have the opportunity to hear a current student panel discussion, a detailed curriculum overview, and go on a student-led tour of our facilities, hospitals, and campus. In addition, there are informational breakout sessions on a variety of topics ranging from student life to dual degree programs to global health. Our interview program is designed to allow you to engage with our current students, faculty, and staff and to experience the culture and community at UT Southwestern Medical School.</td>
