

## Medical School Admission Requirements™ (MSAR®) Report for Applicants and Advisors

---

### Waitlist Procedures

2025

**USA**

| State | Medical School   | Typical # of Waitlist Positions       | # of Acceptance Offers | Waitlist Procedures   |
|-------|--|---------------------------------------|------------------------|---|
| AL    | University of Alabama School of Medicine                         | 50-75                                 | 14                     | In early April, a two-tier waitlist is created and applicants are notified of their tier placement. # of waitlist offers over the last 3 years: 2021 = 18; 2022 = 11; 2023 = 14 .                     |
| AL    | University of South Alabama College of Medicine                  | Approximately 40                      | 20                     | The waitlist is a ranked list and students are accepted in the order they were ranked by the Admissions Committee.  |
| AR    | University of Arkansas for Medical Sciences College of Medicine  | 55 - 65                               | 35                     | Applicants not accepted for admission in February may be placed on an Alternate List and are admitted as positions become available -- until the day of registration. at the end of Orientation week. |
| AZ    | University of Arizona College of Medicine                        | Varies, 35-50 typically               | 25                     | Notification via email and phone call with 1-5 day maximum to accept or decline offer.  |
| AZ    | University of Arizona College of Medicine - Phoenix              | Fluctuates from year to year.         |                        | The waitlist is unranked.   |
| CA    | California Northstate University College of Medicine             | Approximately 40                      | 10                     | Acceptance is offered on a rolling basis; thus re-ranking of the waitlist occurs frequently.  |
| CA    | California University of Science and Medicine-School of Medicine | N/A                                   |                        | All applicants placed on the wait list will be informed by a letter from the Office of Admissions via U.S. mail within 2 weeks of the committee's decision.   |
| CA    | Charles R Drew University of Medicine and Science                | 60                                    | 3                      | We will call and email the next person in line by rank if a position is open  |
| CA    | Kaiser Permanente School of Medicine                             | The Waitlist number is not available. |                        | Students can accept or decline the offer of waitlist in our Admissions system.  |
| CA    | Keck School of Medicine of the University of Southern California | Variable                              | 0                      | On or after April 30, 2025, wait-listed applicants may inform the Admissions Office of their desire to attend by emailing a brief letter of intent to medadmit@usc.edu.                               |
| CA    | Loma Linda University School of Medicine                         | 100                                   | 25                     | The Admissions Committee determines which applicants are placed on the alternate list. Alternate acceptances are offered as seats become available in the class.                                      |

**USA**

| State | Medical School  | Typical # of Waitlist Positions  | # of Acceptance Offers | Waitlist Procedures  |
|-------|---|--|------------------------|--|
| CA    | Stanford University School of Medicine                                | Variable   | 0                      | After April 30, offers of admission are made from the waitlist of acceptable candidates until the class size is filled.  |
| CA    | University of California, Davis, School of Medicine                   | 100-150  |                        | The number of offers from the wait list varies year to year. Offers from the wait list begin in May.   |
| CA    | University of California, Irvine, School of Medicine                  | Approximately 100  | 10                     | The Waitlist Committee reviews all applicants on the waitlist and takes into consideration the Admissions Committee recommendations, class balance, and programmatic needs.                      |
| CA    | University of California, Los Angeles David Geffen School of Medicine | 250  | 150                    | Waitlist procedures: Applicants on the waitlist will not be considered until after May 1, 2025   |
| CA    | University of California, Riverside School of Medicine                | 150  | 45                     |  |
| CA    | University of California, San Diego School of Medicine                | 300  | 30                     | Applicants are typically informed of the admission committee's decision on their application within six weeks of their interview. Those on the waitlist are re-evaluated for possible admission. |
| CA    | University of California, San Francisco, School of Medicine           | Approximately 150  | 50                     | Applicants on the alternate list are not considered until after the April 30 deadline.   |
| CO    | University of Colorado School of Medicine                             | Variable   |                        | Applicants are notified electronically by the Admissions Office if they are placed on the alternate list and if a position becomes available.  |
| CT    | Frank H. Netter MD School of Medicine at Quinnipiac University        | Varies by year   |                        | Included in decision letter  |
| CT    | University of Connecticut School of Medicine                          | Varies   |                        | Candidates are notified via email.   |
| CT    | Yale School of Medicine   | Approximately 200 applicants are offered a position on the waitlist each year. On average, ~30 students have been offered admission from the waitlist. |                        | Students offered a position on the waitlist must indicate their intention to remain on the waitlist by April 30. All such students will be considered for admission after May 1.                 |

**USA**

| State | Medical School   | Typical # of Waitlist Positions | # of Acceptance Offers | Waitlist Procedures   |
|-------|--|---------------------------------|------------------------|---|
| DC    | Georgetown University School of Medicine                                       |                                 |                        | N/A   |
| DC    | George Washington University School of Medicine and Health Sciences            | Varies.                         |                        | Provided directly to students at the time they have been placed on the waitlist.  |
| DC    | Howard University College of Medicine  | Approximately 125-150           | 120                    | Applicants placed on the waitlist are reevaluated by the admissions committee in early spring.  |
| FL    | Charles E. Schmidt College of Medicine at Florida Atlantic University          | Approximately 175               | 40                     | Once it is determined seats are available with the College, applicants are reviewed by the Committee on Admissions. The waitlist is not ranked, therefore all applications are re-reviewed.             |
| FL    | Florida International University Herbert Wertheim College of Medicine          | Ranging from 200-250            | 70                     | The Admissions Committee votes to accept, not accept, or place an applicant on the Wait List. Applicants are offered a seat on a rolling basis. The Wait List remains active until Orientation.         |
| FL    | Florida State University College of Medicine                                   | Approximately 120               | 50                     | Applicants on the waitlist are ranked. Offers are made based on the rank order as spaces become available. FSU COM does not communicate an applicant's exact position on the waitlist.                  |
| FL    | Nova Southeastern University Dr. Kiran C. Patel College of Allopathic Medicine | 250-300                         | 100                    | Waitlist candidates are tiered by the admissions committee. Candidates are selected from the waitlist based upon their tier and overall composition of the class.                                       |
| FL    | University of Central Florida College of Medicine                              | 300                             | 100                    | Students waitlisted will know their position and probability of being accepted. Applicants will receive updates every 4-6 weeks for the duration of their time on this list beginning in late November. |
| FL    | University of Florida College of Medicine                                      | Varies                          |                        | Waitlisted applicants are encouraged to reach out to our office for the most current information  |
| FL    | University of Miami Leonard M. Miller School of Medicine                       | 300                             | 75                     | The Admissions Committee establishes the Waitlist order. The Associate Dean for Admissions and Enrollment has the authority to select from the Waitlist.  |
| FL    | USF Health Morsani College of Medicine   |                                 |                        | Waitlist applicants are evaluated as seats become available and can be offered acceptance up until the first day of classes.  |

**USA**

| State | Medical School   | Typical # of Waitlist Positions  | # of Acceptance Offers | Waitlist Procedures  |
|-------|--|--|------------------------|--|
| GA    | Emory University School of Medicine  | Varies   | 1                      | Interviewed applicants who are selected for Alternate Status will receive instructions via email at the close of the interview season.   |
| GA    | Medical College of Georgia at Augusta University                             | Varies by application cycle.   |                        | Refer to acceptance and withdrawal procedures above. Students selected from the alternate list must be willing to be assigned to any of the 4-year campuses.   |
| GA    | Mercer University School of Medicine   | Approximately 150  | 25                     | Applicants chosen by the Admissions Committee to be on the Wait List will be notified by e-mail by March 31, 2025.   |
| GA    | Morehouse School of Medicine   | approximately 250  | 100                    | We offer a rolling admissions. Applicants who are not offered an acceptance and are not rejected are placed on the alternate list. Alternate list applicants are frequently accepted into the class.   |
| HI    | University of Hawaii, John A. Burns School of Medicine                       | Varies from year-to-year   |                        | The JABSOM waitlist shall remain open from the date that decision letter are sent until the first day of school.   |
| IA    | University of Iowa Roy J. and Lucille A. Carver College of Medicine          | 50 Residents; 120 Nonresidents   | 43                     | Two separate alternate lists for residents/nonresidents. Applicants are notified of position and updated on secondary. 19 residents & 46 nonresidents were accepted from alternate list in 2019 cycle. |
| IL    | Carle Illinois College of Medicine   | We are committed to a "realistic" waitlist meaning that if you are placed on the waitlist, applicants like you have been accepted in the |                        | Position on the waitlist will not be disclosed. Movement of our waitlist varies considerably from year to year.  |
| IL    | Chicago Medical School at Rosalind Franklin University of Medicine & Science | Varies   |                        | The admissions process is rolling; we cannot guarantee a time frame for when applicants will receive a final decision. The alternate list is ranked. The committee reviews applications regularly.     |
| IL    | Loyola University Chicago Stritch School of Medicine                         | It is typical for about 200 candidates to be placed on the waitlist after May 15th.  | 77                     | Candidates in continued consideration, post interview, are given the option to opt-out of being placed on the waitlist which is constituted in mid-May.  |
| IL    | Northwestern University The Feinberg School of Medicine                      | Varies   | 10                     | Waitlist offers are made after the uniform acceptance date and continue until the class is filled based on recommendations from the executive committee on admissions.                                 |
| IL    | Rush Medical College of Rush University Medical Center                       | The typical number of waitlist positions varies from year to year.   |                        | RMC's waitlist is not ranked; applications are reviewed to determine future acceptances. Waitlisted applicants are encouraged to upload updates to the applicant portal throughout the cycle.          |

**USA**

| State | Medical School  | Typical # of Waitlist Positions | # of Acceptance Offers | Waitlist Procedures   |
|-------|---|---------------------------------|------------------------|---|
| IL    | Southern Illinois University School of Medicine   | Varies                          |                        | We don't have a set number on our "waitlist" and it changes each year how many spots we go through on our Accept When Place Available list.   |
| IL    | University of Chicago Division of the Biological Sciences The Pritzker School of Medicine | Varies by year                  | 20                     | A subset of interviewed students who are not originally accepted are invited to join our waitlist. Our waitlist is unranked.  |
| IL    | University of Illinois College of Medicine  | Varies                          |                        | n/a   |
| IN    | Indiana University School of Medicine   | 200                             | 0                      |   |
| KS    | University of Kansas School of Medicine   | Minimum of 50 positions         | 53                     | One waitlist, with applicants notified of numerical position on list. Applicants are offered admission when there is a seat available.  |
| KY    | University of Kentucky College of Medicine  | Varies                          |                        | Acceptance offers are made from the alternate pool throughout the cycle.  |
| KY    | University of Louisville School of Medicine   | Varies.                         |                        | Applicants on the final waitlist are reviewed and ranked by the Admissions Committee and then offered admission as positions become available.  |
| LA    | Louisiana State University School of Medicine in New Orleans                              |                                 |                        | Applicants are notified that they are placed on the waitlist. Being accepted off of the waitlist varies every year.   |
| LA    | Louisiana State University School of Medicine in Shreveport                               | 100                             | 40                     | Selected by Admissions Committee  |
| LA    | Tulane University School of Medicine  | 300                             | 60                     | Non Ranked  |
| MA    | Boston University School of Medicine  | 300                             | 20                     | Wait List offers are extended by telephone and applicants are given a time-frame by which a decision must be made. Financial Aid offers made available during this time to help with decision-making. |

**USA**

| State | Medical School   | Typical # of Waitlist Positions  | # of Acceptance Offers | Waitlist Procedures   |
|-------|--|----------------------------------|------------------------|---|
| MA    | Harvard Medical School   | Varies each cycle                |                        | If offered a position on the waitlist, the Office of Committee on Admissions will be in touch with information regarding the procedures of the waitlist.  |
| MA    | Tufts University School of Medicine  | varies greatly from year to year |                        | <a href="https://medicine.tufts.edu/admissions-aid/info-for/interviewed-md-applicants">https://medicine.tufts.edu/admissions-aid/info-for/interviewed-md-applicants</a>   |
| MA    | University of Massachusetts Medical School   | 150                              | 70                     | All waitlist applicants are considered as places become available.  |
| MD    | Johns Hopkins University School of Medicine  | Varies from year to year         | 25                     | If placed on the Waiting List (WL), the candidate must return a form to remain on the WL by late April. The admissions committee will begin to contact WL candidates on a rolling basis May-July.   |
| MD    | Uniformed Services University of the Health Sciences F. Edward Hebert School of Medicine | 175-200                          | 100                    | USU uses rolling admissions. Offers can be tendered to those wait list applicants if a position becomes available.  |
| MD    | University of Maryland School of Medicine  | 200                              | 12                     | Applicants are informed that they are ranked in the upper or lower half of the Waitlist. Acceptances are offered as seats become available.   |
| MI    | Central Michigan University College of Medicine  | Approximately 100                | 60                     | Unranked. Applicants chosen based on current class need.  |
| MI    | Michigan State University College of Human Medicine                                      | 200                              |                        | Based on continued holistic review of alternates; not ranked.   |
| MI    | Oakland University William Beaumont School of Medicine                                   | Varies by cycle.                 |                        | Once all applications have been reviewed by committee (late March/early April), remaining applicants are placed on a three-tier waitlist. We will notify each applicant of their tier placement.  |
| MI    | University of Michigan Medical School  | 80                               | 30                     | <a href="https://medschool.umich.edu/programs-admissions/md-program/md-admissions/md-admissions-timeline">https://medschool.umich.edu/programs-admissions/md-program/md-admissions/md-admissions-timeline</a>   |
| MI    | Wayne State University School of Medicine  | 600                              | 300                    | Applicant who receive a Waitlist decision will be reviewed for Acceptance by the Admissions Committee through July 1, 2024: <a href="https://www.med.wayne.edu/admissions/application-timeline">https://www.med.wayne.edu/admissions/application-timeline</a> |

**USA**

| State | Medical School  | Typical # of Waitlist Positions   | # of Acceptance Offers | Waitlist Procedures  |
|-------|---|---|------------------------|--|
| MI    | Western Michigan University Homer Stryker M.D. School of Medicine | Varies by cycle.  |                        | The waitlist is live, unranked, and reviewed at each Admissions Committee meeting throughout the cycle. Candidates on the waitlist may be offered admission at any point in the cycle.                   |
| MN    | Mayo Clinic School of Medicine                                    | Approximately 500 waitlist positions total between the MD and MD-PhD programs for our three campuses. | 40                     | Waitlist positions are offered after initial acceptances are communicated. The waitlist is not ranked. We accept regular updates and strongly consider letters of intent or interest.                    |
| MN    | University of Minnesota Medical School                            | Varies depending on number of applicants on the waitlist.   |                        |  |
| MO    | Saint Louis University School of Medicine                         | Variable  |                        | The waitlist is a ranked list. The ranking of this list is kept confidential by the Committee on Admissions. Applicants on the waitlist may be offered an acceptance at any time.                        |
| MO    | University of Missouri-Columbia School of Medicine                | 128   |                        | Applicants are notified about their placement on the waitlist at the end of interview season. Applicants are notified of acceptance on the day that someone withdraws up until the first day of class.   |
| MO    | University of Missouri-Kansas City School of Medicine             | Approximately 30  |                        | Applicants may be placed on a waitlist for admission. If a position in the class becomes available, an offer of admission may be made to the next candidate on the waitlist.                             |
| MO    | Washington University in St. Louis School of Medicine             | Varies  | 0                      | Applicants are informed if they have been placed on the waitlist via email. Applicants accepted from the waitlist are individually contacted via telephone or email.                                     |
| MS    | University of Mississippi School of Medicine                      | 30  | 10                     | Students are notified if they are on the wait list in late January each year.  |
| NC    | Duke University School of Medicine                                | 100-125   | 30                     | Wait-listed applicants will be notified initially by phone from the Associate Dean of Admissions on behalf of the Committee on Admissions.   |
| NC    | The Brody School of Medicine at East Carolina University          | 75-100  | 40                     | The alternate pool is typically smaller than the entering class size of 92., since experience tells us that a limited number of seats will usually open up between early April and the start of classes. |
| NC    | University of North Carolina at Chapel Hill School of Medicine    | Varies  |                        |  |

| TX    | University of Texas Southwestern Medical Center Southwestern Medical School |  |                        | Interviewed applicants on the wait-list will receive an email from the admissions office outlining the procedures. Wait-list offers are made by the admissions committee as seats are available. |
| UT    | University of Utah School of Medicine                                       |  | 50                     | Waitlist seats may be offered acceptance up until July 1. Utah, Idaho, Wyoming, Montana, and Non-residents have a separate waitlist, the rank of each list is confidential.                      |
| VA    | Eastern Virginia Medical School   | 200  | 75                     | The waitlist remains active until the class matriculates in August. Updates and letters of interest are accepted.  |
| VA    | University of Virginia School of Medicine                                   | Waitlist positions vary from year to year.   |                        | We have a waitlist and most years do accept students from the waitlist.  |
| VA    | Virginia Commonwealth University School of Medicine                         | Varies by year   | 75                     | Wait list is active from April 1-July (First day of Orientation)   |
| VA    | Virginia Tech Carilion School of Medicine                                   | Varies   |                        | Interviewed applicants not initially accepted are re-evaluated in April. Qualified applicants are offered a seat or held on an active wait list until the incoming class matriculates.           |
| VT    | University of Vermont College of Medicine                                   | 300-400  | 100                    | Our Waitlist is active until the class matriculates. No updates are needed from applicants on the waitlist. Once the waitlist is closed, applicants will be notified by email.                   |
| WA    | University of Washington School of Medicine                                 | The number of waitlist positions vary each year by the regional state and are determined by the competitiveness of the applicant pool. | 48                     | Alternates are accepted off an alternate list as positions become available in the entering class. Wyoming, Alaska, Montana, Idaho, Spokane, and Seattle cohorts have separate alternate lists.  |
| WA    | Washington State University Elson S. Floyd College of Medicine              | The number of positions varies each year.  |                        | Applicants will be notified if they are on the waitlist after their Admissions Committee meeting. The official rank list is formed in mid-March at which time applicants can request their rank. |

**USA**

| State | Medical School   | Typical # of Waitlist Positions  | # of Acceptance Offers | Waitlist Procedures   |
|-------|--|--|------------------------|---|
| WI    | Medical College of Wisconsin                                 | 100-200 at MCW-Milwaukee and 25-50 at MCW-Green Bay and MCW-Central Wisconsin. | 50                     | Applicants are placed on the waitlist throughout the interview cycle with few offers extended prior to May. The waitlist is unranked, and applicants are selected through a holistic review process.  |
| WI    | University of Wisconsin School of Medicine and Public Health | Varies   | 0                      | Acceptances from the waitlist vary each year and are dependent on many factors. Waitlisted applicants are notified of their position and likelihood of an eventual offer in early May.                |
| WV    | Marshall University Joan C. Edwards School of Medicine       | Between 40 and 60  | 25                     | Open positions are filled by the next most qualified applicant as selected by the Executive Committee (a sub-committee of the Admissions Committee) to fill any open position.                        |
| WV    | West Virginia University School of Medicine                  | variable, depending upon total applicant pool                                  | 50                     | Holistic review of waitlisted applicants is re-visited as openings in class arise, with strong emphasis on evidence of academic success, fulfillment of school's mission and ties to the state of WV. |

**CAN**

| State | Medical School  | Typical # of Waitlist Positions  | # of Acceptance Offers | Waitlist Procedures   |
|-------|---|--|------------------------|---|
| BC    | University of British Columbia Faculty of Medicine                                    |  | 40                     | Applicants on the waitlist are contacted in rounds following the previous round's acceptance deadlines. Waitlisted applicants can be contacted until the first day of class for year 1 students.      |
| MB    | Max Rady College of Medicine, Rady Faculty of Health Sciences, University of Manitoba | 20 Manitoba Applicant Pool, 15 Out of Province Applicant Pool  |                        |   |
| NL    | Memorial University of Newfoundland Faculty of Medicine                               | 20   | 7                      | Applicants on the wait list are ranked by the Admissions Committee. The position of an applicant on the waitlist is not disclosed.  |
| NS    | Dalhousie University Faculty of Medicine  | 20-30  |                        |   |
| ON    | McMaster University Michael G. DeGroote School of Medicine                            | Waitlist information is not published and varies greatly from year to year   |                        | Offers from the waitlist are made on a rolling based (as a position is declined, a new offer is made from the waitlist)   |
| ON    | Queen's University Faculty of Health Sciences   | N/A  |                        | N/A   |
| ON    | The University of Western Ontario - Schulich School of Medicine & Dentistry           | 200  | 60                     | Applicants who receive a waitlist offer must accept the offer in their Student Center to remain on the waitlist. Waitlisted applicants will be contacted on a rolling basis.                          |
| ON    | University of Ottawa Faculty of Medicine  |  |                        |   |
| ON    | University of Toronto Faculty of Medicine   | Variable - we will continue to make offers from the waitlist until all spots are filled. This typically concludes in early to mid- |                        | A short waitlist will be maintained between May and August. Waitlist applicants will be notified of offers if and when spaces become available. Final notifications will be released in early August. |
